Courtney's practice includes general litigation, with an emphasis on commercial and business litigation. Courtney has represented corporate and individual clients in a variety of litigation and counseling matters, including breach of contract, breach of warranty, business torts, construction litigation, insurance litigation, real estate litigation, deceptive trade practices, products liability, antitrust, and fraud. Courtney has represented clients both as plaintiffs and defendants in both state and federal court. Courtney also has significant experience in managing discovery in complex litigation.

Courtney's experience includes representing oil and gas companies in complex commercial disputes. This experience has included representation of energy companies in contract actions, as well as extra-contractual disputes, including breach of warranty, tortious interference, products liability, negligence and fraud.

Courtney's practice also includes insurance litigation, prompt payment litigation, life, health and disability litigation and managed care litigation.
