Shemin is the Managing Partner of the Washington, DC office of Andrews Kurth and she divides her time between the Washington and Houston offices. She represents major energy companies, including natural gas and oil pipelines, energy marketing and trading companies, and midstream service providers, in proceedings before the Federal Energy Regulatory Commission and has represented natural gas pipelines before the federal courts. Shemin has represented and counseled clients in numerous rate, tariff, certificate, complaint and compliance matters before the FERC. Shemin also works with clients seeking to construct natural gas storage and liquefied natural gas facilities. In addition, she has counseled energy companies on natural gas matters arising from bankruptcy and has experience in the antitrust area.

REPRESENTATIVE EXPERIENCE

- Lead counsel for major interstate natural gas pipeline in litigated complaint proceedings before FERC
- Lead counsel for midstream company regarding sale of jurisdictional pipeline before FERC
- Lead counsel for midstream company regarding new ethane pipeline project
- Represented debtor regarding unwinding and disposition of transportation capacity deals
- Represented interstate natural gas pipeline in enforcement proceedings before FERC
- Counsels corporate clients and underwriters regarding energy regulation
