Sid Sethy's practice covers general corporate and securities matters. He has also advised commercial lenders on several structured finance transactions. His experience includes advising and preparing documentation relating to structuring and implementation of investments in India spanning various industries and practice areas including manufacturing and private equity. Sid has also represented international clients in their collaborations with Indian entities in the areas of global outsourcing and manufacturing. Prior to moving to the United States to pursue his LL.M., Sid worked in India with Trilegal's New Delhi office where he emphasized on international business transactions.

### REPRESENTATIVE EXPERIENCE

- Counsel to leading global investor in renewable energy and energy efficiency partnering with a private investment firm in the U.S. in \$20 million investment in a Mauritian company looking to invest in hydro power projects in India
- Closed \$17 million deal for \$600 million open-ended real estate fund, investing in an Integrated Residential and IT Township in India, through an investment in a Mauritian company
- Counsel to a large NYSE-listed oilfield services company in \$200 million plus merger with NASDAQ-listed drilling company
- Representation of large Multilateral Development Bank in a \$50 million senior loan to a regional financial institution in Ecuador
- Representation of global manufacturer and supplier of self-managing energy data communications networks in \$18 million Series D Financing
- Counsel to major North American agribusiness and food ingredient manufacturer in its \$10 million fuel ethanol transaction to acquire and import Anhydrous Ethyl Alcohol from South America
- Representation of a Chinese corporation, primarily owned by the Chinese government, in the due diligence phase of its over \$1 billion winning bid to acquire off-shore oil drilling rights in Angola
- Representation of large Multilateral Development Bank in \$85 million and \$65 million senior loans to two regional financial institutions in Panama
- Counsel to developer of biomass facility in closing of \$10.5 million in financing
