Austin Technology Council`s Annual
"Texas Executive Summit"

May 4, 2004

Topic: "High Performance Culture and Teams"

Location: New Downtown Austin Hilton

11:30 AM - 1:00 PM.

C-level executives are interested in one thing -- growth of their companies. The Texas Executive Summit will be the platform for bringing these C-level executives together to strike up new partnerships and share ideas, as well as gain a broader understanding of available resources, talent and funding needed to move their companies forward. Matt Lyons will be the moderator on the CEO panel at this event.
