Trends in Designing Performance-Based Equity Awards

August 10, 2017 | 10:00–11:00 am CT

The purpose of this program is to cover the latest trends with respect to performance-based equity incentive designs. To that end, this webinar will cover a number of related topics, including:

- changes to incentive plan designs due to the recent pronouncement by ISS to include six new financial metrics within its pay-for-performance methodology
- the proper length of the performance period
- the appropriateness of using one or more performance metrics
- the form of equity chosen (e.g., restricted stock, stock options, etc.)
- best practices with respect to administering performance-based equity incentive awards

Continuing education available.
